**Step 1**
Emerging concerns regarding PSED

Complete an Early Identification Assessment Summary with a plan of action

Ensure this is shared with and signed by parents/cares

Use of Behaviour monitoring for 2-3 weeks

Reflect on Inclusion Audit
Are there actions you have identified for priorities for improvement.

Complete the Environmental Audit
Reflect and address if any changes need to be made to the environment

**Step 2**
Reflection and Analysis of the behaviour monitoring

Combined with the reflection and evaluation of strategies to write an outcome plan

Complete an Early Help Assessment as part of this make referrals services and agencies as appropriate

Refer to the strategy support guidance

**Step 3**
Hold an Early Help Review Meeting

Parents and professionals to be invited

Continue with the Graduated Approach
Assess, plan, do, review
