

Sensory Needs in North Lincolnshire

'An Opportunity for Professionals'

29 March 2019

1pm - 4pm

at the Learning Development Centre, Scunthorpe

Aims

- To introduce the newly published North Lincolnshire Sensory Needs Framework.
- To develop increased understanding of Sensory Needs.

The Workshop

This workshop is an exciting opportunity which has been co-produced and funded by the Local Authority and the Parents Involvement and Participation (PIP) Forum. It will provide you with a better understanding of Sensory Needs and give you further insight into how you can develop strategies and approaches in your learning environment. It is aimed at **professionals** in schools and colleges.

Guest Speaker: Joanna Grace

Joanna came to North Lincolnshire in 2018 to deliver a keynote speech and workshop at our SEND Conference for School Leaders. She was so well received that we have asked her to return in 2019 to share more of her thinking as well as her approaches to supporting children and young people with Sensory Needs. Jo is an international sensory engagement and inclusion specialist, trainer, author, TEDx speaker and founder of The Sensory Projects.

Benefits of Attending:

- Children will have their needs identified
- Children will receive appropriate planned support and provision
- Children will have their needs met
- Professionals will be more confident in their understanding of Sensory Needs.
